

Application for 2022 Richfield Town Trust Commercial Grant

To the Applicant for a Richfield Town Trust Commercial Grant:

Following is an Application Form and the Eligibility Requirements for a 2022 Richfield Town Trust commercial grant. The Richfield Chamber of Commerce has provided the funds for this grant program from the profits of the Sweet Corn Challenge bicycle event over 24 years.

Everyone serving in the Town Trust is a volunteer and serving without pay or any other financial benefit. The Mission Statement of the Town Trust Commercial Grant program is “to provide matching funds for building projects in the Richfield Village Commercial Historic Districts I and II that will increase the commercial properties in a style that matches the existing historic character of the area, increases the life of the structure and contributes to the overall revitalization of the historic district of Richfield.”

Grants may be awarded to repair existing buildings that will be used for commercial purposes in either of the two historic districts. Please refer to the Richfield Village zoning map at richfieldvillageohio.org/DocumentCenter/View/78/Historic-District-Zoning-Map.

The Town Trust may award up to \$10,000 in 2022 depending on qualifying applications. The funds must be matched dollar for dollar by the recipient. The decision of the Richfield Town Trust will be final and it may elect to not award any grants for 2022.

To help continue this program for many years in the future, grant recipients are required to volunteer time for events and activities that support this organization.

The deadline to return this application is December 30, 2021. Please read it carefully. Every question must be answered. Unanswered questions may disqualify the application.

The Town Trust will announce recipients in early 2022 and will fund the grant when the work is completed as specified in the application.

We wish you great success with your project.

Anthony Gargano, chair
Richfield Town Trust Commercial Grant Committee
